SHERLY COTTAGES

The Guest is Equivalent to God

www.sherlycottages.com

Sherly Cottages Beach Resort located in the sunny beach at Odayam, Varkala is where sound of waves breaking against the cliff becomes your morning alarm. Where the wind from the sea becomes your masseur. Where you become one with Nature. Just 4 km away from Varkala Railway Station and 50 km away from Trivandrum International Airport, the resort is bestowed with the serenity of Sivagiri Ashram, the divine power of the ancient Janardhana Temple, the serene Papanasam Beach. Like the springs that gushes forth from the Cliff. Like the coconut fronds that sway in the breeze. Like the sound of the bell on the neck of the bullock. Like the flavour of the traditional cuisine, that spreads slowly within you with a perfect blend of nature and habitats. That's Sherly Cottages Beach Resort for you.

We value and care for our visitors and their happiness and satisfaction are our priority: Athithi Devo Bhava- "*The quest is equivalent to God*".
